

Local Government White Paper - implications for the North Somerset Partnership

Paul Jones

Local Government Team

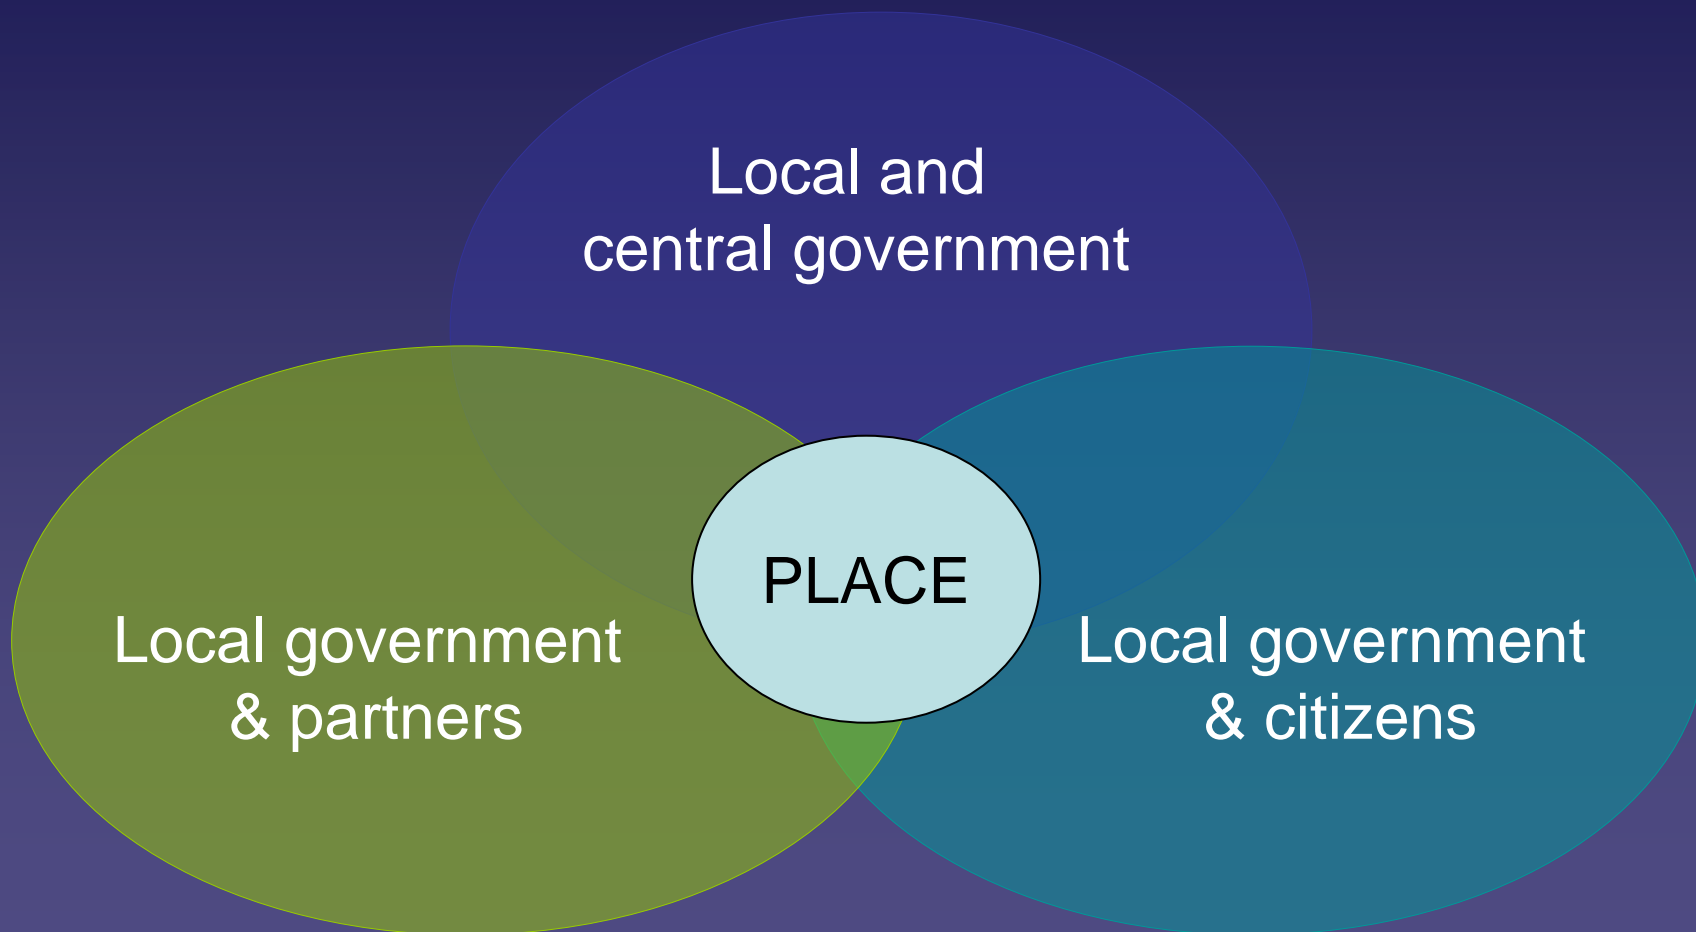

LAA's, LSP's, SCS & Partnership

Strong and prosperous communities - changing relationships

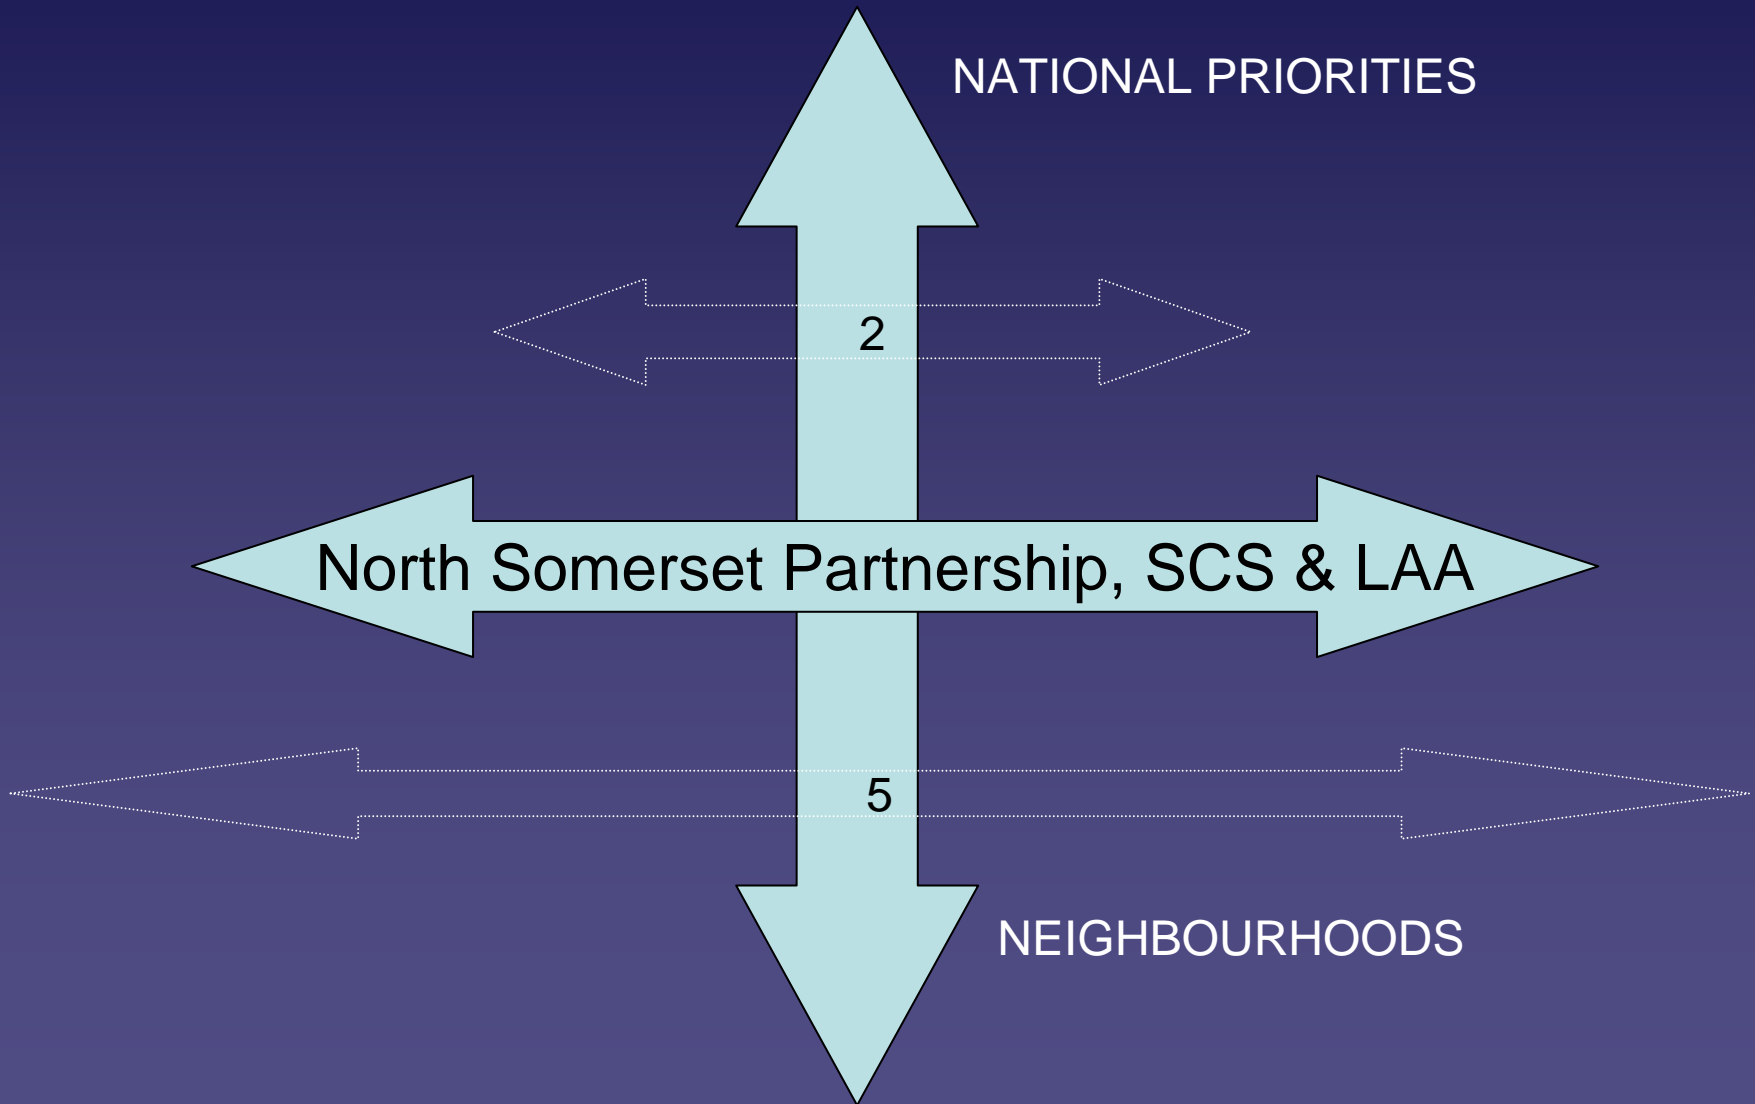

Strong and prosperous communities – the context

Relationship between
local and central government

NSP – THE CHALLENGE

Some key messages

- NSP as single over-arching partnership setting strategy and priorities
- Key role for NSP in delivering better public service outcomes through the SCS and LAA
- Delivery through LAA, partners and partnerships
- Opportunity to innovate & respond to local needs with new ways of working and commissioning services
- Commitment & engagement of partners
- Involving citizens and partners

The potential for LAAs post LGWP
